Roundtable Discussions & Workshops

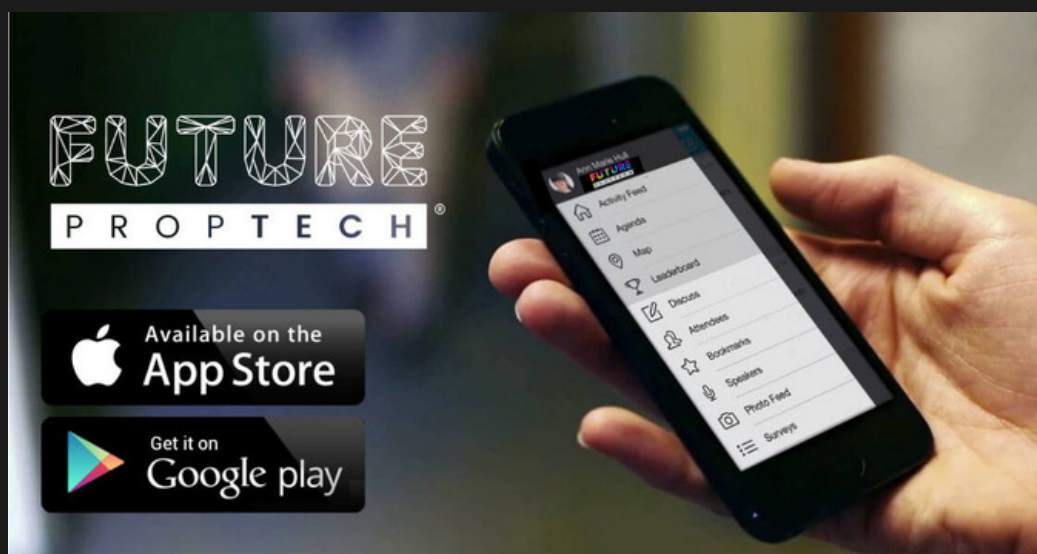

WWW.FUTUREPROPTech.CO.UK

WHAT OUR INTERACTIVE SESSIONS GIVE YOU...

Deep dive into cutting edge topics and position your brand as a thoughtleader within the PropTech sector, with a roundtable discussion or workshop. These are invite only sessions. You can curate your guestlist using our event app (which is also available on desktop), and we will invite the participants on your behalf.

We will provide a private space and all furniture in the package. We will also assist with marketing this session before, during and after the interactive session.

There are a limited number of these sessions, so please get in touch if this is of interest.

Select from over 2000 delegates!

HOW THESE WORK

OUR MOST EXCLUSIVE SESSIONS AT FPT

Each session will be led by a host / sponsor.

Roundtable Discussions

A roundtable discussion is for up to 30-40 delegates. This is meant to be an open discussion, where everybody participates equally. Sponsors will moderate.

Workshops

A workshop is for up to 60 delegates. This is meant for more technical topics, where the sponsor educates everyone. Although this is still an interactive session with lots of audience participation.

Session Timings

90 minutes in total.

60 minute session followed by 30 minutes networking.

Session Topics

Below is the suggested agenda of topics, which can be changed and adapted to position your area of expertise.

Please note - That these topics are subject to change as we are still in planning mode.
